The Pizza Pie Man

Run, Run, Run Game

OBJECT

Be the topping that escapes Nino's pizza!

HOW TO PLAY

- One person is "The Chef". Giant chef hat is optional.
- Everyone else chooses to be one pizza topping each, but don't tell The Chef which - despite how big of a kitchen diva they might be.
- All the "Toppings" line up on one side of the yard. The Chef guards the other side. Schoolyard showdown!

- When The Chef calls out the name of a topping (e.g. "Pepperoni!"), that "Topping" tries to run past The Chef to the other side (piece of running advice: a friendly taunt feels great).
- If The Chef catches the Topping, onto "The Pizza" (the sidelines) they go! They're out!

WIN!

The game ends when only one topping is left standing!
